ICOR Partners Awarded \$99M Advisory & Assistance Contract to Support the U.S. Air Force's Expeditionary Logistics Vision

Arlington Virginia, June 6, 2007 – ICOR Partners, LLC, an award-winning public sector management consulting firm specializing in strategy, transformation and business improvement services announced today that it has been awarded a contract to provide advisory and assistance services to the U.S. Air Force Deputy Chief of Staff for Logistics, Installations & Mission Support (AF A4/7). ICOR is one of three awardees selected by the Air force for this \$99 million five-year Blanket Purchase Agreement.

The ICOR-led team includes CALIBRE Systems, Inc. of Springfield Virginia, EM Assist of McLean, Virginia, and Nortel Government Solutions of Fairfax, Virginia. On a task order basis, ICOR and its team members will provide the full range of management consulting and business integration services to include: acquisition management, logistics transformation and management, IT transformation, program management, portfolio management, budget and financial advisory services and training. The ICOR team will support multiple organizations as the Air Force executes a major strategy to streamline and transform its global logistics operations, business practices and technologies.

“We are honored to have been selected to support the Air Force's Expeditionary Logistics vision,” stated Wayne Simmons, ICOR's founder and Managing Partner. “In competing with some of the leading traditional Defense firms, our selection demonstrates ICOR's growing presence in the Defense marketplace, the strength of our past performance across the federal sector, and the Air Force's interest in exploring and adopting fresh perspectives and new ideas to help solve complex problems.”

Under the A4/7 organization, the Director of Resources HQ AF/A4/7PR is responsible for logistics, installations and mission support, long range and strategic support planning, and associated policies. AF/A4/7PR prepares, executes and manages budget programs totaling over \$20 billion annually for aircraft, missiles, munitions, security forces and vehicles. AF/A4/7PR validates program requirements and defends budget requests through Corporate Resource Panels, the Air Force Council, OSD, CMB, ICS and Congressional review and enactment process.
